# RARE COINS

To Be Sold by Mail Auction

to the Highest Bidder Without Reserve

SATURDAY, JANUARY 5, 1929

M. H. BOLENDER

P. O. Box 34

Orangeville, Illinois

To Collectors—The size of my catalog was purposely changed this month to facilitate mailing them first class because of the congestion of the mails, due to the Christmas season. My following sales will be printed in the large 6 by 9 catalogs.

This sale has much fine material; therefore look over the list carefully. Make your bids liberal so as not to be disappointed, and I will do my very best for you. Remember, my absolute guarantee of satisfaction. I positively refuse to sell coins otherwise.

Special attention is called to the following in this sale: Large medal collection with many choice medals of Washington, Lincoln and others; Pine & Oak Tree coins of New England; Ancient gold coins of Britain; U.S. commemorative half dollars; U.S. fractional currency and other paper money; magnificent gold octadrachm of Arsinoe II; Ancient silver and bronze; fine U.S. half dollar collection; etc.

The usual charge of 5% will be made for executing your bids, and for packing and sending out material. No charge made on anything not actually purchased. This fee is very low for the superior service I expect to give you.

Collectors of experience find that not all dealers classify coins alike.

My classifications and descriptions are based on knowledge gained through 15 years of earnest dealing in coins. I have endeavored to refrain from over-rating the quality of a lot, which is so common. I believe that the word "RARE" should not be over-worked.

Please remember my strong guarantee. If goods are not satisfactory (you are to be the judge), you are at liberty to return them without any danger of offending.

New bidders should send references or a deposit of at least 25 per cent of bids.

Coins will be bought as much below your bids as possible, as this is competitive bidding carried out in good faith.

If you do not know how much to bid on any item, write me and I shall be glad to inform you as to its value.

Receipted bills are not sent out after your remittance as this is unnecessary. Your check, draft, or money order itself is a receipt and we ask you to pay only once. However, if a 2-cent stamp is enclosed we will send receipt.

Let me sell your collection or duplicates in these sales. Quick returns and satisfactory results are realized. My sales are held regularly each month. Write for terms.

Please bid by the piece unless stated to bid for the lot.
